## SUMMARY

Aviram George, a design enthusiast driven by a profound love for creativity, seeks to merge aesthetics and functionality in visually captivating ways. With a keen eye for detail, I aspire to bring innovative ideas to life, making a positive impact through compelling design.

## PROFESSIONAL EXPERIENCE

### WEx Studio

Product designer 2019-Present

As a freelancer, I assist small businesses in becoming more appealing to customers by designing and developing websites on Wix platforms, as well as designing logos and branding.

### 'Billabong'

Assistant to the warehouse manager 2019-2023

My responsibilities as a warehouse manager assistant included tracking inventory, supervising employees, and resolving issues proactively to enhance operational efficiency and ensure a smooth workflow.

### 'Benedict' Restaurant

Shift Manager 2017-2019

My role as a shift manager encompassed various responsibilities to ensure a successful operation. While supervising the staff, I ensured quality standards and exceptional customer service were delivered.

### 'My Beauty Car' Car accessories

Owner 2015-2017

As the owner of a car accessories store, I curated a wide selection of high-quality products to meet automotive enthusiasts' needs. With a focus on customer satisfaction, I aimed to provide a convenient and welcoming shopping experience, offering personalized assistance and ensuring a well-stocked inventory. My goal was to be the go-to destination for car enthusiasts looking to enhance and customize their vehicles.
